

**REMARKS**

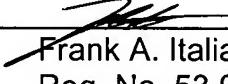

The application has been amended to insert the required reference to the parent application, for which benefit under 35 U.S.C. § 120 is claimed, of this new continuing application. In addition, claims 1-16 are cancelled, without prejudice or disclaimer of the subject matter therein, and new claims 17-20 are added. Early and favorable examination of this application is respectfully requested.

Please grant any extensions of time required to enter this paper and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.

## ABSTRACT OF THE DISCLOSURE

A computerized document processing apparatus for creating an abstract includes document storage for storing a computerized document, keyword storage for storing keywords, an abstract creation section for creating an abstract by extracting at least a character string containing a keyword stored in the keyword storage section from the computerized document stored in the document storage section, a document modification section for modifying the computerized document to link the keyword in the computerized document with the same keyword in the abstract, and a display section for displaying the abstract and the modified document that is linked with the abstract. The modified document is displayed when the linked keyword in the abstract is selected.
